Bschs Syllabus is too knowledgeable for the job. It's helpful to improvement knowledge & skills

In syllabus add more Assement Session.
Syllabus is well planned,as which is well required to any hotelier in his job description . Well helpful .
Needs to be updated time to time
New techniques need to be added in our syllabus which is going in the current situations
Best college with all necessary facilities, rich library, good teaching and non teaching staff. Need to arrange alumni visit, activities.
No special comments for syllabus as it is on the spot with Regards to working.

**12. Please give suggestions about syllabus to meet the job requirements: 22 responses**

Give the software knowledge to the students like IDS,opera,trident they are currently use in hotel industry
Student should have awareness of current software used in industry such as ERP software
Best overall
Syllabus should add more points on system & software use on current daily hotel operations
It is relevant to job.
The things taught surely meet upto the mark in practical work place if they are seriously grabbed by the students during their course.
No
Syllabus of the course was Higher Satisfactory in terms of relevance to Job

Every practical session is a best way towards to get a job. Therefore, attending practicals makes students more confident and ready to fight with world.
Practicals amount should be more.

Any other suggestion:19 responses

No
Conduct Alumni meet once in every year.
Improvements in syllabus is needed rest of the things are good to begin as an intermediate hotelier
Institute all the staff teaching as well as non teaching is best n co-operative. Surely its a good platform in ahmednagar city to get a good education abt the course and enhance your personal skills. Really thankful to all the institute for making us what we were not before coming to you and always helping us and for you guidance.
Organization always focus on the overall development of their students which is beneficial for their future.
Which helped me a lot.
Nothing
Students from first should be encouraged to go for Training so that they have a great opportunity to learn more and they can face off to the industry at an early stage..
honesty is very important
My suggestion is for all students, Learn as much as you can and everything you learn in academics is actual powerful knowledge that you can't get anywhere else.
Be proud to be an IHMCTians.
Let the students be themselves in style sense. Eg Oxford shoes are not necessary in many well known hotels or organization's.
If a student doing more training will get more bonus point/marks would be helpful. That will help + and - in the industries.
It will be really beneficial for students, if Institute could manage to get more campus placements. This can make societal image of institute even more and more popular.
