modern state of the art facilities for teaching and practical purpose. It has also lays stress on the use of modern technologies for this purpose. The faculty is highly educated and experienced. The institute provides ample opportunities to the students to improve and enhance their personal skills through a large number of co-curricular and extra-curricular activities.

As a part of the syllabus, the students have a course on housekeeping throughout their study. For this study the important aspect is about the laundering procedures and practices. In order to make the students aware of such practices it is essential to have an industrial visit for firsthand information. Moreover such a profession can be a part of entrepreneurship amongst the hospitality students. On this particular basis the institute has entered into the MoU.

#### **Purpose of MoU:**

The visit of the students from a hospitality institute to a modern and well equipped laundry is helpful in the following manner.

- It help to understand the procedure of receiving and delivery of material received by the laundry
- It provides information about different steps involved in the washing processes like sorting, tagging, stain removal, identification of damage, use of proper detergents (laundry chemicals), dry cleaning, ironing, folding, hanging and channeling to the delivery counters.
- To understand bio-friendly procedures like heating water through solar panels, use of eco-friendly bio-detergents.
- Understanding the modern equipments used with respect to their availability, make, prizes and agents for purchase.
- To understand the various skills of the employees and benefits provided to them
- To understand the cost of laundering and dry cleaning of different materials / articles.

#### **Terms and Conditions:**

- The MoU between the two parties is for mutual benefits and to provide exposure to the students to laundry operations.
- There shall be no financial obligations on either party.
- The MoU will be valid for a period of 3 years from the date of agreement and is subject to termination by one month's notice by either party.
- Both the parties shall work in coordination and provide timely assistance for the beneficiaries.
- Both the parties shall nominate a representative for interaction.

modern state of the art facilities for teaching and practical purpose. It has also lays stress on the use of modern technologies for this purpose. The faculty is highly educated and experienced. The institute provides ample opportunities to the students to improve and enhance their personal skills through a large number of co-curricular and extra-curricular activities.

As a part of the syllabus, the students have a course on housekeeping throughout their study. For this study the important aspect is about the laundering procedures and practices. In order to make the students aware of such practices it is essential to have an industrial visit for firsthand information. Moreover such a profession can be a part of entrepreneurship amongst the hospitality students. On this particular basis the institute has entered into the MoU.

#### **Purpose of MoU:**

The visit of the students from a hospitality institute to a modern and well equipped laundry is helpful in the following manner.

- It help to understand the procedure of receiving and delivery of material received by the laundry
- It provides information about different steps involved in the washing processes like sorting, tagging, stain removal, identification of damage, use of proper detergents (laundry chemicals), dry cleaning, ironing, folding, hanging and channeling to the delivery counters.
- To understand bio-friendly procedures like heating water through solar panels, use of eco-friendly bio-detergents.
- Understanding the modern equipments used with respect to their availability, make, prizes and agents for purchase.
- To understand the various skills of the employees and benefits provided to them
- To understand the cost of laundering and dry cleaning of different materials / articles.

#### **Terms and Conditions:**

- The MoU between the two parties is for mutual benefits and to provide exposure to the students to laundry operations.
- There shall be no financial obligations on either party.
- The MoU will be valid for a period of 3 years from the date of agreement and is subject to termination by one month's notice by either party.
- Both the parties shall work in coordination and provide timely assistance for the beneficiaries.
- Both the parties shall nominate a representative for interaction.

**About Gajraj Cleaners / Laundry:**

A Gajraj Dry cleaner is a reputed and highly esteemed establishment in Ahmednagar district. It is mainly involved in the washing, dry cleaning and ironing of different types of cloths like dress (ladies and gents), sarees, curtains, silk and cotton material pertaining to dresses and upholstery. For this purpose it has modern set up, a modern unit with the latest machinery and equipments of the state of the art. It uses all procedures which are defined for the purpose of laundering and dry cleaning. It ensures timely delivery of the articles in the proper designed manner. The processes involved are bio-friendly in nature.

**About the Institute:**

The AJMVPS Institute of Hotel Management and Catering Technology, Ahmednagar has been approved by different authorities and is affiliated to world renowned University of Pune. The institute conducts undergraduate courses in the field of hospitality education since 1997. The institute is managed by Ahmednagar Jilha Maratha Vidya Prasarak Samaj which has been engaged in establishing and managing educational units for about a century. The institute imparts quality education to the students through installation of modern state of the art facilities for

teaching and practical purpose. It has also lays stress on the use of modern technologies for this purpose. The faculty is highly educated and experienced. The institute provides ample opportunities to the students to improve and enhance their personal skills through a large number of co-curricular and extra-curricular activities.

As a part of the syllabus, the students have a course on housekeeping throughout their study. For this study the important aspect is about the laundering procedures and practices. In order to make the students aware of such practices it is essential to have an industrial visit for firsthand information. Moreover such a profession can be a part of entrepreneurship amongst the hospitality students. On this particular basis the institute has entered into the MoU.

#### **Purpose of MoU:**

The visit of the students from a hospitality institute to a modern and well equipped laundry is helpful in the following manner.

- It help to understand the procedure of receiving and delivery of material received by the laundry
- It provides information about different steps involved in the washing processes like sorting, tagging, stain removal, identification of damage, use of proper detergents (laundry chemicals), dry cleaning, ironing, folding, hanging and channeling to the delivery counters.
- To understand bio-friendly procedures like heating water through solar panels, use of eco-friendly bio-detergents.
- Understanding the modern equipments used with respect to their availability, make, prizes and agents for purchase.
- To understand the various skills of the employees and benefits provided to them
- To understand the cost of laundering and dry cleaning of different materials / articles.

#### **Terms and Conditions:**

- The MoU between the two parties is for mutual benefits and to provide exposure to the students to laundry operations.
- There shall be no financial obligations on either party.
- The MoU will be valid for a period of 3 years from the date of agreement and is subject to termination by one month's notice by either party.
- Both the parties shall work in coordination and provide timely assistance for the beneficiaries.

Dear Gokul,

I have selected the following students:

1. Shubham Dhadage
2. Shubham Ture
3. Shubham Pote
4. Tushar Shetty
5. Riyaz Shaikh
6. Sourabh Parab

The following are some of the terms for Industrial training:

1. the students will be paid a stipend of Rs 1000/- per month. With a deduction as per their attendance.
2. they will be provided meals on duty.
3. They will be provided uniform shirts. They will however need to have their own black trousers and black shoes.
4. they will be required to pay a refundable deposit of Rs 1200/- on the date of joining which will be refunded to them only on completion of their training.
5. The students are required to make arrangements for their accommodation in Goa on their own.

The List of documents they need to submit on the date of joining:

- Medical Certificate
- Police Clearance Certificate
- Passport size photographs 4
- Identification Proof
- NOC from the institution

Kindly keep in mind that clearance formalities (during their end of training) happens only on Monday, Wednesday and Friday. So if 21st is ending date, it is regarded as their **last working day**, e.g. 21-06-17 falls on a Wednesday so their clearance will be done on **23-06-2017** which is a Friday. Request them to refrain from booking return tickets any day before 23rd as early clearance requests will not be entertained.

Please be informed that they have to be in Goa three-four days before industrial training starts as they need to look out for your accommodation/ get required amenities etc and get settled so they can start training properly.

**Accommodation has to be compulsorily arranged by you before reporting for training at the hotel. Training will not commence without you informing us the complete address of place of stay.**

Strict compliance is expected.

Kindly confirm upon receipt of this email.

Respected Sir,

Greetings for the Season.

We, at the Institute of Hotel Management and Catering Technology, Ahmednagar teach the students about commercial laundry operations, in the subject of Hotel Housekeeping. You are the well-established firm in this field and operating a professional laundry which is very reputed.

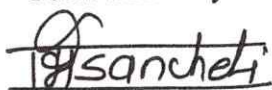

Every year our students are privileged to visit your laundry and get firsthand information about the laundry operations. This year also we intend to do the same for the Second Year students of our institute. The total strength of our students is 24.

We thus request you to kindly give us the permission to visit your factory and understand the operations of it.

In anticipation of favorable reply.

Thanking you,

Yours Sincerely

Respected Sir,

We are highly obliged for the facility of Laundry Visit extended to our students on 25th July 2016. The same has been highly appreciated by the students.

This industrial exposure of laundry operations has definitely helped the students to improve themselves in a number of important areas. They were able to have an insight of actual working in the laundry operations like yours.

The institute looks forward to your co-ordination and fruitful relationship in future course as well.

Thanking you.

The institute imparts quality education to the students through installation of modern state of the art facilities for

teaching and practical purpose. It has also lays stress on the use of modern technologies for this purpose. The faculty is highly educated and experienced. The institute provides ample opportunities to the students to improve and enhance their personal skills through a large number of co-curricular and extra-curricular activities.

As a part of the syllabus, the students have a course on housekeeping throughout their study. For this study the important aspect is about the laundering procedures and practices. In order to make the students aware of such practices it is essential to have an industrial visit for firsthand information. Moreover such a profession can be a part of entrepreneurship amongst the hospitality students. On this particular basis the institute has entered into the MoU.

#### **Purpose of MoU:**

The visit of the students from a hospitality institute to a modern and well equipped laundry is helpful in the following manner.

- It help to understand the procedure of receiving and delivery of material received by the laundry
- It provides information about different steps involved in the washing processes like sorting, tagging, stain removal, identification of damage, use of proper detergents (laundry chemicals), dry cleaning, ironing, folding, hanging and channeling to the delivery counters.
- To understand bio-friendly procedures like heating water through solar panels, use of eco-friendly bio-detergents.
- Understanding the modern equipments used with respect to their availability, make, prizes and agents for purchase.
- To understand the various skills of the employees and benefits provided to them
- To understand the cost of laundering and dry cleaning of different materials / articles.

#### **Terms and Conditions:**

- The MoU between the two parties is for mutual benefits and to provide exposure to the students to laundry operations.
- There shall be no financial obligations on either party.
- The MoU will be valid for a period of 3 years from the date of agreement and is subject to termination by one month's notice by either party.
- Both the parties shall work in coordination and provide timely assistance for the beneficiaries.

Dear Sir,

Greetings from Sula Vineyards!

Apologize for the delayed response. We can arrange for the guided tour of the winery and a wine tasting session for your students but the visit to our resort will not be possible on the 19<sup>th</sup> March as we have our annual sales meet for the entire week at Beyond.

The first tour of the day begins at 11:30am, then a tour every one hour with the last one starting at 5:30pm. Each tour and tasting session takes about 45 minutes. Please let us know what time you would reach here to confirm the tour.

The charges are:

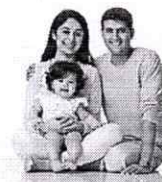

Rs. 250 per head for a tour and tasting of 6 wines.

Rs. 150 per head for a tour and tasting of 4 wines.

Rs. 100 per head for a tour and tasting of 3 wines (discounted charge for students).

For only the tour, the charge will be Rs. 75 per head.

There would be no charge for the staff accompanying them.

Subject: Industrial Visit to Sula and Beyond

Dear Yogesh,

Greetings for the day!!

As per our telecom, We would like to visit your organization - Sula Vineyards and the Resort Beyond on 19th March 2013 i.e. Tuesday.

We at AJMVPS's Institute of Hotel Management & Catering Technology, Ahmednagar provide Hospitality Education Since 1997. We are committed to develop professionals through quality education in the field of Hospitality education. We are affiliated to University of Pune, Approved by AICTE, and Recognized by Govt. of Maharashtra and DTE, Mumbai. We conduct two degree courses as BHMCT & BSCHS of

University of Pune.

Thus, as a part of curriculum, the students of First year need to be introduced with the hotel/resort property to know the insight of the hotel operations to create interest among the students to develop their career in the field of Hospitality, which will help them to plan their future.

Also, the second year students need to have a visit of winery as they are learning wines and their production in the third semester.

Details are as follows:

**About Gajraj Cleaners / Laundry:**

A Gajraj Dry cleaner is a reputed and highly esteemed establishment in Ahmednagar district. It is mainly involved in the washing, dry cleaning and ironing of different types of cloths like dress (ladies and gents), sarees, curtains, silk and cotton material pertaining to dresses and upholstery. For this purpose it has modern set up, a modern unit with the latest machinery and equipments of the state of the art. It uses all procedures which are defined for the purpose of laundering and dry cleaning. It ensures timely delivery of the articles in the proper designed manner. The processes involved are bio-friendly in nature.

**About the Institute:**

The AJMVPS Institute of Hotel Management and Catering Technology, Ahmednagar has been approved by different authorities and is affiliated to world renowned University of Pune. The institute conducts undergraduate courses in the field of hospitality education since 1997. The institute is managed by Ahmednagar Jilha Maratha Vidya Prasarak Samaj which has been engaged in establishing and managing educational units for about a century. The institute imparts quality education to the students through installation of modern state of the art facilities for

teaching and practical purpose. It has also lays stress on the use of modern technologies for this purpose. The faculty is highly educated and experienced. The institute provides ample opportunities to the students to improve and enhance their personal skills through a large number of co-curricular and extra-curricular activities.

As a part of the syllabus, the students have a course on housekeeping throughout their study. For this study the important aspect is about the laundering procedures and practices. In order to make the students aware of such practices it is essential to have an industrial visit for firsthand information. Moreover such a profession can be a part of entrepreneurship amongst the hospitality students. On this particular basis the institute has entered into the MoU.

#### **Purpose of MoU:**

The visit of the students from a hospitality institute to a modern and well equipped laundry is helpful in the following manner.

- It help to understand the procedure of receiving and delivery of material received by the laundry
- It provides information about different steps involved in the washing processes like sorting, tagging, stain removal, identification of damage, use of proper detergents (laundry chemicals), dry cleaning, ironing, folding, hanging and channeling to the delivery counters.
- To understand bio-friendly procedures like heating water through solar panels, use of eco-friendly bio-detergents.
