<b>Criterion VII – Institutional Values and Best Practices (100)</b>		
<b>Key Indicator - 7.1 Institutional Values and Social Responsibilities (50)</b>		
<b>7.1.10 The Institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic programmes in this regard</b>		
<b>Sr. No.</b>	<b>List of Documents</b>	<b>Page No.</b>
1	Code of Conduct for Administrators, Faculty, Students and Other Staff	1
2	Code of Conduct for Faculty	3
3	Code of Conduct for Students	5
4	Code of Conduct for Other Staff	7

### **CODE OF CONDUCT**

In an educational institute number of stake holders are involved. They include the Management, Principal, faculty, non-teaching staff, maids and Students. It is thus very necessary to identify a well defined set of rules or a frame work of conduct of each entity. These shall be morally binding on the stakeholder. If these are strictly and routinely followed in the day to day activities it will allow proper, smooth and disciplined functioning and will lead to a harmonious environment and maintain good relations.

#### **CODE OF CONDUCT FOR ADMINISTRATOR**

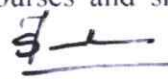

1. The conduct of the Administrator should be of the highest order with regards to morality, integrity and devotion to the office and in the interest of the institute.
2. The Administrator will act in a manner that it respects the higher authority like AICTE, UGC, Government Agencies, the University and the Governing Council. It should follow order, rules and regulations received from time to time.
3. All guidelines, approval, and directions with regards to finance, policies, development and solutions to difficulties encountered should be discussed in details with the Secretary of the Governing Council.
4. The Administrator shall ensure proper, systematic and quality conduct and timely completion of all academic and other activities for the overall development of the students.
5. The Administrator should act through decentralization of authority and appoint various committees for timely and successful completion of all tasks, events, activities and responsibilities.
6. The Administrator shall give due consideration to suggestions received from the faculties and students and thus initiate proper necessary steps.
7. The Administrator shall urgently take due notice of all the complaints received by its office and needful action should be initiated as early as possible.
8. The Administrator should regularly conduct meetings of the College Development Committee, faculty and student bodies.

9. The Administrator shall provide the College Development Committee with all information regarding admission, progress of academic and co-curricular activity, examination result, financial details and all developmental plans for consideration and approvals.
10. The Administrator shall conduct regular meetings of the faculty for preparation of academic plan, reviewing academic progress, continuous academic assessment of student, conducting university examination, library development and other emerging subjects.
11. The Administrator shall encourage the faculty to attend seminar, conferences and faculty development programs to enrich their knowledge.
12. The Administrator should promote research activities and publications of research paper among the faculty and provide them the necessary resources.
13. The Administrator should act in fair manner with all faculties, non teaching staff and students without any bias attitude as well as not indulge in discriminations in any form.
14. The Administrator should be vigilant with regards to all finances of the institute. All income and expenditure should be properly verified, recorded and preserved by an established method. At the end of financial year the Audit of all financial transactions should be carried out from the duly appointed chartered accountant and thus obtain a report and certified audited statement from the authority.
15. The Administrator shall ensure that all responsibilities regarding affiliation, approvals, payments of fees, submission of documents, conduct of examination and other activities related to various authorities are completed within the stipulated time.
16. The Administrator should bring to notice of the students all information regarding examination, scholarships.
17. The Administrator shall ensure the reporting of attendance and student performance to the parent on a regular basis.
18. The Administrator should be vigilant in the proper preservation and security of records generated in the institute.
19. The Administrator should continuously strive to improve, implement new ideas, changes so that the quality of the education moves towards excellence and efficient professional graduates from the institute.
20. The Administrator shall plan, coordinate and assign various responsibilities of conduct of seminars, conferences, visits, value added life courses and short term courses to the faculty.

  
I/c. Principal
