

**7.1.5 Green campus initiatives include:**

1. Restricted entry of automobiles
2. Battery-powered vehicles
3. Pedestrian-friendly pathways
4. Ban on the use of Plastics
5. Landscaping with trees and plants

**Additional Information:**

Green Practices are eco-friendly practices. They are helpful in controlling pollution, reducing waste, overcoming disposal problems and financial savings. The various measures undertaken are,

**a) Public Transport:**

Public Transportation facilities are available for use in the city and surrounding areas. Government Public Transport facility (MSRTC) is used by students from nearby taluka places for daily travel from their residence. Within the city shared auto-rickshaw and Ahmednagar Municipal Transport Bus facility is available.

**b) Plastic-free campus:**

The institute does not promote use of plastic materials. For this purpose signage boards are displayed at number of places. It rather ensures the use of biodegradable materials such as old newspaper, paper bags, and cloth bags. Instead of disposable material institute uses metal, bone china and glass equipments.

**c) Green landscaping with trees and plants:**

Green landscape has been properly established around the building. It has helped to improve the ambiance and eco-friendly nature of the campus. The plantation consists of a lawn, hedges and variety of trees. They are regularly watered and necessary maintenance like cutting of lawn and hedges is done on regular basis. Waste like garbage and dried leaves are regularly removed. Thus the flora is maintained in a good healthy condition.
