## **Purpose of International Chefs Day :-**

Every year the International Chefs' Day is celebrated across the globe on 20 October to create awareness about the profession and celebrate it. This year the theme for the same is "Healthy Food for the Future". It was instituted to remind chefs that it was their duty to pass on their knowledge and culinary skills to the next generation of chefs with a sense of pride and commitment to the future.

International Chef's Day began back in 2004 by esteemed chef Dr. Bill Gallagher, who at the time was the president of World Chefs, a network of over 100 chef associations and is focused on bringing education, competition, networking, and sustainability to the authority on cuisine.

On the occasion of international chefs day 20<sup>th</sup> October at 2.00 PM our institute was organized online webinar (guest lecture) for the all students of BHMCT and BScHS courses in the institute to celebrate this day. In order to pass culinary knowledge to new generation, **Chef. Nitin Borate - Executive Sous Chef Amnora, The Fern, Pune will grace the event.**

Faculty members were appointed to conduct this online webinar. Prof. Balashaeb Shendage, Prof. Rachana Khatavkar, Prof. Anubhav Bajpayee, Prof. Gokul Sonawane, Prof. Vahid Maniyar, Prof. Prachi Chavan were the part of the team by the guidance of Principal Prof. Y. S. Sadre.

Chef's Day guest lecture helps students to gain first-hand information regarding functioning of Production departments, sections, layouts, equipment's, and work routine of the Production department of the hotel. It provides insight into the real working environment of Hotel , grooming standards, communication skill, and work culture of an area.
