The processes involved are bio-friendly in nature.

About the Institute:

The AJMVPS Institute of Hotel Management and Catering Technology, Ahmednagar has been approved by different authorities and is affiliated to world renowned S P Pune University (formally University of Pune). The institute conducts undergraduate courses in the field of hospitality education since 1997. The institute is managed by Ahmednagar Jilha Maratha Vidya

Prasarak Samaj which has been engaged in establishing and managing educational units for about a century. The institute imparts quality education to the students through installation of modern state of the art facilities for teaching and practical purpose. It has also lays stress on the use of modern technologies for this purpose. The faculty is highly educated and experienced. The institute provides ample opportunities to the students to improve and enhance their personal skills through a large number of co-curricular and extra-curricular activities.

As a part of the syllabus, the students have a course on housekeeping throughout their study. For this study the important aspect is about the laundering procedures and practices. In order to make the students aware of such practices it is essential to have an industrial visit for firsthand information. Moreover such a profession can be a part of entrepreneurship amongst the hospitality students. On this particular basis the institute has entered into the MoU.

Purpose of MoU:

The visit of the students from a hospitality institute to a modern and well equipped laundry is helpful in the following manner.

- It help to understand the procedure of receiving and delivery of material received by the laundry
- It provides information about different steps involved in the washing processes like sorting, tagging, stain removal, identification of damage, use of proper detergents (laundry chemicals), dry cleaning, ironing, folding, hanging and channeling to the delivery counters.
- To understand bio-friendly procedures like heating water through solar panels, use of eco-friendly bio-detergents.
- Understanding the modern equipments used with respect to their availability, make, prizes and agents for purchase.
- To understand the various skills of the employees and benefits provided to them
- To understand the cost of laundering and dry cleaning of different materials / articles.

Terms and Conditions:

 The MoU between the two parties is for mutual benefits and to provide exposure to the students to laundry operations.

- There shall be no financial obligations on either party.
- The MoU will be valid for a period of 1 year from the date of agreement and is subject to termination by one month's notice by either party.
- · Both the parties shall work in coordination and provide timely assistance for the beneficiaries.
- Both the parties shall nominate a representative for interaction.
