WORLD TOURISM DAY 2022 | RETHINKING TOURISM 27 SEPTEMBER

About the Theme of World Tourism Day 2022 – “Rethinking tourism” -

International tourist arrivals at the start of 2022 were double the level recorded in 2021. In some regions, arrivals are already at, or even above, pre-pandemic levels. The lifting of the remaining

travel restrictions, alongside rising consumer confidence, will be important drivers for the sector's recovery, bringing hope and opportunity to many millions of people around the world.

World Tourism Day will be celebrated as the shift towards tourism is being recognized as a crucial pillar for development and as progress is well underway. May 2022 marked the first time the United Nations General Assembly held a special debate on tourism, illustrating the historic relevance of the sector. Tourism is now on the agenda of governments and of international organizations in every global region.

At the same time, destinations and businesses are proactively adapting to meet challenges and responsibilities, as illustrated by the wave of signatories to the Glasgow Declaration on Climate Action in Tourism, spearheaded by UNWTO.

Tourism's International Observance Day will put people at the center of key discussions. Where is tourism going? Where do we want to go? And how do we get there? **The theme "Rethinking Tourism"** will reflect this. It aims to inspire the debate around rethinking tourism for development, including through education and jobs, and tourism's impact on the planet and opportunities to grow more sustainably.

About the event conducted at the institute:

Every year institute celebrates the World Tourism Day in the campus. The event is planned according to the theme of the day. The theme of this year is 'Rethinking Tourism'.

Institute have invited a guest to deliver his talk on the subject 'पर्यटनातून समृद्धीकडे पर्यटनाचा पुनर्विचार' - "Development Through Tourism Rethinking Tourism". The guest Prof. Navnath Wavhal shared his thought on the various aspects of the tourism.

On the same day other activities were also planned for the active participation of the students i.e. Essay Writing Competition and Presentation on States. Students have actively participated in the activities and enjoyed the event.
