### *About Webinar.....*

Unlike the traditional method of learning, the webinar offers extensive course choices to students. It also, enrolling in two institutes is just not possible in traditional one.

Webinar allows students to learn an extra subject that is not part of their academic curriculum. There is no barrier of location; hence students can enroll themselves into a course that might not be available at their native location.

This international webinar was arranged for the sec of Students knowledge enhancement in terms to understand the functioning of software used for smooth operation of hotel.

AJMVPS IHMCT takes the initiative for arranging such a webinar which get benefited to their students. The international professionals explain the day to day operation of the restaurant. Due to such webinar students get the exposure to communicate with the international expertise. Students also get aware about international culture of the industry.

This webinar was specially arranged for final year students. Where students observed the functioning of software used in restaurant and kitchen. The subject experts explain in brief about the daily operations, purchasing, storing and inventories

To make successful of this webinar Chef Manoj Rathod, Chef Gaurav Hembarde and Chef Saurabh Sanam give their timely contributions. At the end of the webinar institute express Special thanks to above Alumni of the Institute and the Speakers of the day.
